

Rahul denies defamation charges before Gujarat court

Surat: Congress leader Rahul Gandhi appeared before a magistrate's court in Surat on Thursday to record his statement in a criminal defamation suit filed by a Gujarat MLA, and denied making any defamatory remarks on people with 'Modi' surname. The suit was filed by Surat BJP MLA Purnesh Modi over Gandhi's alleged remark on the 'Modi' surname. In his statement before Surat's Chief Judicial Magistrate (CJM) A N Dave, Gandhi denied making any defamatory remarks on people with Modi surname during a rally at Kolar in Karnataka ahead of the 2019 Lok Sabha polls. When the magistrate asked Gandhi if he had said Prime Minister Narendra Modi gave Rs 30 crore to an industrialist, Gandhi told the court that being a national leader, he keeps raising issues of corruption and unemployment in his addresses in the interest of the nation, and it is his right to raise do so. When the court asked if he had said all people with 'Modi' surname are thieves, Gandhi claimed he never said such words. Besides, to most of the remaining questions related to the evidence and statements of witnesses in the case, Gandhi said "I don't know". After recording the statement, the magistrate kept the case for next hearing on July 12. Earlier, Rahul Gandhi had appeared before the court in October 2019 and pleaded not guilty for his comment. Legislator Purnesh Modi filed a complaint against Gandhi in April 2019 under Indian Penal Code Sections 499 and 500, that deal with defamation.

UP cops 'rescues' women allegedly lured to convert

Muzaffarnagar: Police on Thursday said they have 'rescued' two women from Khatauli town here, who were allegedly lured and converted to Islam by men who then married them. The district police said they handed the women to police teams in Hamirpur and Jhansi respectively, where their family members had lodged complaints of abduction in the two separate cases. But other versions suggested that the women had eloped with the men that they were in relationship with. The two men have absconded, police said, adding some Hindu activists have demanded their arrest. An FIR was registered at Rath police station under Section 366 (kidnapping, abducting or inducing woman to compel her marriage). It was not immediately clear whether Hamirpur and Jhansi police have also registered cases under Uttar Pradesh's anti-conversion law, which critics claim is often misused. "The woman was rescued and brought to Hamirpur. We can't say anything till she gives her statement," a police officer said.

MEA: China amassed troops & altered Ladakh status quo

'Acts A Violation of Sino-India Bilateral Deals'

New Delhi: India on Thursday blamed China's actions of amassing a large number of troops close to the border and attempts to unilaterally alter the status quo along the Line of Actual Control (LAC) last year for the continuing military standoff in eastern Ladakh, and asserted that these acts were in violation of Sino-India bilateral agreements. India's strong comments on the border row came a day after China said its military deployment in the region is a normal defence arrangement aimed at "preventing and responding" to "encroachment and threat" on Chinese territory by "relevant country". "It is well recognised that it has been the Chinese actions over the last year, including amassing of a large number of troops close to border areas in the western

sector and trying to unilaterally alter the status quo along the LAC, which have seriously disturbed peace and tranquillity in the border areas," external affairs ministry Spokesperson Arindam Bagchi said at a media briefing. "These acts are in violation of our bilateral agreements, including the 1993 and 1996 agreements that mandate that the two sides shall strictly respect and observe the Line of Actual Control and that two sides will keep their military forces in the areas along the LAC to a minimum level," Bagchi said. He was responding to a question on the comments made by Chinese foreign ministry spokesperson Zhao Lijian on Wednesday that the military deployment by China in the western sector along the border is a "normal defence arrangement". "China's military deployment along the western section of the China-India border is a normal defence arrangement aimed at preventing encroachment and threat on China's territory by relevant country," he said.

"We desire normal relations with all our neighbours including Pakistan," ministry of external affairs (MEA) spokesperson Arindam Bagchi said at a media briefing. "Pakistan must work towards creating a conducive atmosphere including by taking credible, verifiable and irreversible action to not allow any territory under its control to be used for cross-border terrorism against India in any manner," he said.

MEA: Efforts on Nirav's early extradition

New Delhi: After fugitive diamond merchant Nirav Modi lost the first stage of his extradition appeal in the UK High Court, the ministry of external affairs on Thursday said it has noted the decision and will continue its efforts to pursue his early extradition to India to face justice.

The UK High Court's decision came over two months after the wanted diamond merchant's extradition to India was ordered by UK Home Secretary Priti Patel in the Punjab National Bank (PNB) scam case. Asked about Nirav Modi's extradition at an online media briefing, Ministry of External Affairs (MEA) Spokesperson Arindam Bagchi said, "We have noted yesterday's decision of the United Kingdom (UK) High Court against his plea to appeal against the extradition order." PIL in SC seeks citizens' charter in public depts

ई कॉमर्स धोरण

केंद्राच्या नव्या धोरणानुसार अतिरिक्त सवलती देणारे सेल आयोजित करण्यावर निर्बंध येतील. या सेलमधून ग्राहकांची फसवणूक होते असे सरकारला वाटते. तेव्हा ही फसवणूक टाळून ग्राहकांच्या हिताचे संरक्षण करावे या उदात्त हेतूने केंद्र सरकारचे नवे ई-कॉमर्स धोरण आखले जात आहे. वास्तविक सरकार कोणतेही असो. ते सामान्यांच्या हितरक्षणाचा विचार करते हीच मुळात अतिशयोक्ती. या संभाव्य धोरणास हे सत्य लागू होत नाही, असे म्हणता येणार नाही. याचे कारण पारंपरिक पद्धतीने व्यापार करणाऱ्यांच्या संघटनेने या संभाव्य ई-कॉमर्स धोरणाचे केलेले जोरदार स्वागत. ण ग्राहकांचे हित सांभाळण्यासाठी ते केले जात आहे या शहाजोगपणामुळे काही प्रश्न निर्माण होतात. म्हणजे असे की अनेक दुकानांत स्पर्धात्मक वातावरणामुळे ग्राहकांना आकर्षित करण्यासाठी दरकपातीचे प्रयत्न केले जात असतील तर ते ग्राहकांच्या अधिक हिताचे? की बाजारपेठेवर मक्तेदारीसदृश नियंत्रण मिळवून ग्राहकांना मर्यादित निवड-स्वातंत्र्य देत बांधून ठेवणारी दुकाने ग्राहकांच्या अधिक हिताची? या प्रश्नाच्या उत्तरात ऑनलाइन बाजारपेठेचे महत्त्व आहे. उत्पादकांशी थेट संधान साधून, मधले अडते/दलाल टाळून प्रचंड प्रमाणावर माल खरेदी करून आकारमानाच्या अर्थशास्त्राचा आधार घेत ग्राहकांना तो जास्तीत जास्त स्वस्तात देणे हे ऑनलाइन दुकानांचे वेगळेपण. एकटा-दुकटा दुकानदार किती माल खरेदी करू शकतो यावर मर्यादा असतात. पण या बड्या दुकानांचे आणि त्यातही ऑनलाइन दुकानांचे तसे नाही.
